Four friends are going out guising\* together for Halloween. Use the clues below to work out who is wearing which costume, what each friend will be performing, and what their favourite Halloween treat is.

- The person dressed as a ghost is Una.
- Mourad is not singing a song or performing a magic trick.
- The person who likes apples the most is Winnie.
- The person who likes sherbet lemons the most is not Una.
- Winnie is not dressed as a skeleton.
- The person dressed as a bat is not singing a song.
- Either the person who likes chocolate the most, or the person who likes lollipops the most, is dressed as a bat.
- The favourite treat of the person telling jokes starts with the same letter as their first name.
- Out of the people doing a dance and performing a magic trick, one is dressed as a skeleton and one likes lollipops the most.

\* Guising is the Scottish Halloween tradition of children dressing up in disguises (costumes) and performing songs, jokes, or tricks at people's houses in exchange for treats.
