Four friends are going out guising* together for Halloween. Use the clues below to work out who is wearing which costume, and what each friend will be performing.

- Neither Mourad nor Calum are dressed as a ghost.
- The person telling jokes is dressed as a mummy, but it's not Winnie.
- Mourad is not telling jokes, and Calum is not performing a magic trick.
- The person whose will be singing a song is dressed as a ghost.
- Winnie is dressed as a skeleton. She will not be performing a magic trick.

* Guising is the Scottish Halloween tradition of children dressing up in disguises (costumes) and performing songs, jokes, or tricks at people's houses in exchange for treats.
